PORTFOLIO / RESUME

ARUN KUMAR GHOSH

WordPress Developer | Web Designer | Graphic Designer

PROFESSIONAL SUMMARY

Enthusiastic and creative aspiring Web Developer with skills in WordPress, Elementor, and graphic design. Interested in creating modern, responsive, and visually appealing websites with a strong focus on usability and presentation. Eager to learn new technologies, improve practical development skills, and contribute to meaningful web projects.

SELECTED PROJECTS

01 VALUMAN | Demo Project

Created a demonstration website, practicing modern page layouts, visual presentation, and responsive design.

02 BISWAS COMPANY | Demo Project

Developed a business website demonstration, focusing on clear structure, professional layout, and user-friendly presentation.

EXPERIENCE

Fresher — Aspiring Web Developer

Building practical experience through personal and demonstration projects, with a focus on WordPress website creation, Elementor page building, and graphic design.

WHAT I CAN DO

- WordPress website development and customization
- Elementor page building and landing page design
- Creative graphic design and visual content
- Responsive layouts for desktop and mobile screens

CAREER OBJECTIVE

To grow as a professional Web Developer by creating innovative, responsive, and user-friendly websites while continuously improving my technical and creative abilities.

LET'S BUILD SOMETHING GREAT. Open to learning, collaboration, and web development opportunities.
